It is so rare to find speakers who can entertain an audience with humor, educate by appealing to their common sense, and when called upon to do so, put both of these abilities together to drive home a point. Thank you again for a fantastic and memorable program.

—Pete Hunt

Automotive Service Association of Washington, Lakewood, WA

Thank you so much for your participation in Focus on the Family's first-ever Teachers in Focus Conference. The attendees were overwhelming in their positive comments. Several wrote that they planned to make specific changes in their classrooms to try to recognize the strengths of all their students. The presentations were a total success—all that we had wanted them to be!
